

SUPER CLEAN

* Recommended by PACCAR for use as an in-shop maintenance product.

DK32

SUPER-STRENGTH CLEANER & PERFORMANCE ENHANCING DIESEL ADDITIVE

4+ Super Clean is a concentrated cleaning formula and anti-gum additive. Used to reduce the necessity for pump and injector repairs. Extend fuel filter life, reduce injector failure and limit problems with DPF and DEF systems.

WHEN TO USE

When you need a fast clean-up of your fuel system to prevent rough running, recover lost performance. Often used for a “clean-up” flush, followed by continuous treatment with 4+ Premium.

TREATMENT RATE & AVAILABLE QUANTITIES

SIZE	TREATS	SKU	PACKAGING
32 oz.	454 L	DK32	12 x 32 oz.

This product is certified compliant for use in Low Emission Engines & ULSD fuel. EPA Registered.

* Bulk quantities available in totes or drums. Call us for more details or inquire about becoming a 4+ dealer today!

PERFORMANCE FACTORS

- Keeps your fuel system clean, removes and prevents internal diesel injector deposits and lubricates expensive fuel systems. Meets and exceeds industry test standards for:
 - Super fast clean-up, power restoration and stability
 - Fuel system detergency and corrosion protection
 - Emission reduction and improved fuel economy
